

TENNIS 2024

The tennis committee offers a variety of opportunities to enjoy the sport. All reservations for use of the court, updates of events, cancellations, and pop-up clinics are through yourcourts.com. Please be sure to sign into yourcourts.com at least once. This will ensure that you are an 'active' member and receive tennis emails. If you don't have a yourcourts.com account contact Beau Villecco at: abvcpa@aol.com.

—Georgia Ahlers (gahlers@clcymca.org) will once again serve as our Tennis Pro.
—Please remove all trash and equipment from the court at the end of play.

Weekly Events

Women's Tennis Tuesday and Thursday, 9 - 11 AM. Friendly competition, coordinated by Beau Villecco. abvcpa@aol.com

Men's Tennis Monday and Friday, 2 - 4:00 PM. If you are interested contact Beau Villecco.

Triples Tuesday and Thursday, 4 - 5:30 PM. A Club favorite and a fun, competitive evening of play for all levels and a great way to meet other members.

Live Ball with Georgia. Tired of chasing down players for a game of doubles? Looking for a fun way to exercise? Live Ball is a fast-paced doubles game. Fitness, fun and competition combined. Like Triples the ball is fed in, no serving, no pause between points, and with frequent substitutions the players are constantly moving. Unlike Triples, Live Ball uses the yellow tennis ball. If you like the idea of Triples but want something to improve your doubles and get you moving, this session is for you. Dates and times TBD.
